Customer Reviews

Looking forward to book 4....

I have read and enjoyed each of these 3 books so much. Following is my review for each: (Book 1) Wow!! Didn't know what to expect from this book from the Title but sure was surprised. It was a "hang onto your seat" kind of ride through the entire book. A lot of suspense wondering how Ruby and Robert were going to make it out of the situation they were in. Well written and knowledgeable about the technological details. Also glad Ruby became a Christian. I will be looking forward to the next book in the series. (Book 2) Ruby and Robert are back and Pete Zendel is still up to his old tricks even from prison. You will hang onto your seats wondering how they are going to make it out of the situation they are in and if the wedding is ever going to take place. With lots spirituality woven in and lots of high tech stuff The New Rulebook 2 is a wonderful suspense read. (Book 3) This number 3 book in The New Rulebook Series is a wrap up of the suspense series by Joy Ohagu. First of all the wedding finally takes place but a surprise guest shows up and it seems that from there everything goes wrong. The Mastermind

is finally uncovered and this book is full of surprises. You will really need to read these in order so you have an understanding of what is happening. If you like suspense and drama then I recommend this to you. The Author gifted me this book for my honest review which I have given. All views stated above are my own.

These are great suspense-filled stories by Joy Ohagwu, and you get them all in one set! In *The New Rulebook 2* Pete Zendel is up to his old tricks again, this time from prison. Ruby "Red" Masters and Sargeant Robert Towers are planning their wedding. However, first Ruby must come to the aid of the mayor in Snowy Peaks. Can she defend the town against Pete and his team of gadgets and forces? Will Ruby's and Robert's faith in God pull them through? Pick up this great read today to see if Ruby and Robert can keep their faith in God as they fight against the evil that has overtaken Snowy Peaks. *Uncommon Ground*: Another great story by Joy Ohagwu! Stella Heart sees firsthand how God can move even when you're going through something and you don't know why or see no way out. God is already there. Michael Huddleston doesn't understand God's ways, but knows He sees and watches out for us in spite of ourselves. Putting God first, they see God move in unexpected ways. *Uncommon Ground* is a suspenseful Christian romance that will keep your finger on the edge of the page, turning to see what happens next. I received a free copy in exchange for an honest review.

This book series felt like a movie to me! Book one was a fun read! Action packed, romantic and suspenseful! I read late into the night because I was hooked! Opening scene has the main character (Ruby) framed for a murder that she witnesses! Traumatic for her for sure! Ruby and her best friend Robert have to solve the murder before Ruby goes down for it!.....book 2....and the story continues! The suspense and danger that Ruby and Robert encounter, keeps you reading to the end! I really like the faith and trust that the characters keep through out the whole book! Robert being a police officer and the Ruby a civilian give the reader two different perspectives...one with criminal training and the other with life skills. A must read if you enjoy intrigue and suspense. Book 3....A wedding, a mystery and suspense all wrapped up in this third book in the series! I started this book on a week night and finished it before I went to bed! Oops! I could not put it down until I came to the end! Joy Ohagwu has a way with words that describe vividly the characters, surroundings and feelings! *The New Rulebook 3* was so worth the wait! Can't wait to read more by this author!

The *New Rulebook* series is a must read!! Once you start reading you won't be able to put it

down..it's just that awesome!! The storyline & characters pulls you in right from the beginning!! Joy Ohagwu is my #1 author for christian fiction!!

WOW!! This series surpassed my expectations in excellent reading! These put Joy in the ranks of Brandilyn Collins and Dee Henderson! It caught me in the first chapter and kept me glued to the seat til I read them all. Great story of God's redemption through love and mercy. Can hardly wait for the next one!

This is the first books I've purchased by this author and am pleasantly surprised how much I enjoyed reeding these stories. A wonderful story on how you can get the strength you need by turning to God.

Ruby and Robert battle against good and evil with God by their side.I really enjoyed this series with all it's twists, turns and suspense.I look forward to the next Joy Ohagwu book.A copy of this book was given to me in exchange for an honest review.
