Marie Antoinette Paper Dolls (Dover Royal Paper Dolls)

Synopsis

In addition to her role as queen of France, Marie Antoinette (1755–1793) could justly claim to rule the 18th-century fashion world. Directly behind her throne stood a savvy dressmaker, Rose Bertin, who helped transform the young Antoinette from a foreign princess into the epitome of French fashion and the most glamorous woman of her era. Two figures portraying the queen and her dressmaker appear in this lavish paper doll collection, along with fifteen extraordinary costumes. These elegant ensembles attest to Rose Bertin's skills as a designer and her place as an innovator in fashion history. Her shop served as a center for the beau monde, and its displays of garments for an international clientele mark the first recorded showings of a couture collection. No one acted as a more conspicuous model than the ill-fated queen, who abandoned hoop skirts and monumental hairstyles in favor of her trademark style, magnificent renditions of the simple garb worn by shepherdesses and milkmaids. These dazzling costumes, scrupulously researched and meticulously rendered, come with detailed descriptive notes, providing a treasury of historic fashions for paper doll fans and costume enthusiasts.

Book Information

Series: Dover Royal Paper Dolls

Paperback: 32 pages

Publisher: Dover Publications (December 10, 2001)

Customer Reviews

One of the leading authorities on fashion history, Tom Tierney created over 150 paper doll books for Dover Publications. With subjects ranging from U.S. Presidents to popular movie stars, Mr. Tierney's books are famous for being carefully researched and meticulously rendered. His releases

are prized by fashion professionals, collectors, and paper doll lovers all over the world.

Another genuine article from Mr. Tierney. Who would have thought Marie Antoinette could be a paper doll book. Well, Mr. Tierney sure did. The dresses are amazing. His attention to detail is impressive. This would be a good addition to anyone's paper doll collection.

Tom Tierney does a great job with his books. He does the research for me when it comes to costume design for stage productions.

extremely pleased

Grown-up, little girls, can relive their childhood now, because paperdolls are again available. For many years they seemed to be obsolete or, at best, very hard to find. These paperdolls are a little more sophisticated, and much more expensive, but they're very nice.

Beautiful, intricate, historically accurate designs. Fun to thumb through and the paper is heavy-duty enough that you can use them repeatedly if you choose to actually cut them out. Enough outfits to keep most people occupied. Fun for all ages!

Paper dolls are on the small size but I think it will work for my project. nice book, great packing.

Beautiful artwork!

The paper is heavy weight, the quality is amazing.
