## Customer Reviews

This Christian coloring book is wonderful and beautiful! There are multiple pages filled with beautiful scripture designed pages that are great for adults as well as children as the designs are not extremely detailed making it great for kids that are really into coloring. Each page has a Bible passage on it along with a beautiful scene to color. All you need is a really nice set of coloring pencils

and you are set! The pages are nice and thick and the opposite side doesn't have a page to color so it is perfect for hanging on the wall or framing. Great for long car rides, hospital stays, appointment waiting; just about anything! I HIGHLY recommend it! Pros....The pages are well created Bible scriptures on each page Beautiful designs that have lots of detail Great for kids and adults alike Detailed but not overly Cons...NONE The breakdown on how I determine my star rating of a product

5 stars I love it! It is awesome and I highly recommend that everyone purchase this product!

4 stars I like it, but there are some flaws. Not everything can be perfect! I would purchase again.

3 stars It was okay, but I would probably not buy it again unless I had no other choices.

2 stars There may be worse products out there, but you can definitely find better choices.

1 star I dislike the product, I wish I had not purchased it and do not recommend anyone else to purchase it. If my review helped please take a second and click that it was helpful below. My goal is to highlight features and drawbacks that I would want to know about as a buyer, not hype the product for the seller to increase sales. My remarks are sincere and true. I hope that these reviews are helpful to others. Once again, it is just my own opinion and experience with the product, your own opinion and experience may vary.

Paper feels almost recycled. Not for coloring and then tearing out to frame or something, because it's not a top flip book, and the paper isn't real smooth. Good for a casual relaxing coloring book that.

It wasn't as good as the other Christian coloring books I've purchased. I didn't like the reflection pages. It made it like a lot of blank pages. It's not good enough for me to give to anyone.

I love the grace verses for women, I can use them in my Bible Journaling. It is very helpful and I enjoy reading them

the pictures are wonderful and also the scripture BUT >> each page is duplicated ie two of each verse. the only difference is the first is white on black, the same verse is repeated on the next page in reverse, black on white.. Aldo the pages are NOT perforated. therefore difficult to take out a page or to color. Therefore you will only get 50% of the verses state. Unfortunately I bought four of these books for gifts.

wife ordered it for our daughter. She loved it.

Favorite book! Bought as gift for adult day center! Very soothing verses for them (and the rest of us) to carry on in life! Great purchase!

Such a nice collection of coloring pages.
