Customer Reviews

Bought this for my teen son who is a budding pianist and loves to play popular songs. He loves it! It includes the cello parts as an insert.

As always, beautiful music. I loved this one because they weren't all super hard and you don't have to have the cello for it to all sound like the song.

got this for Christmas, and it is really great. Beautiful pieces. One of my favorite music books for the piano. i'm planning to get more Piano Guys music books in the near future.

Selection not as good as I had hoped. Arrangements are challenging but good. Cello part is for intermediate and above.

Perfect it is Beautiful, I absolutely love it! It has rekindled my Cello playing spirit. Thank you!

Great arrangements! So happy to use the heck out of this thing!

Excellent piano music as always. Thank you!

Piano Guys never disappoint!
