Tad Hills is the author and illustrator of the highly acclaimed New York Times bestselling picture books Duck & Goose; Duck, Duck, Goose; Duck & Goose Go to the Beach; How Rocket Learned to Read; and Rocket Writes a Story. He has created numerous Duck & Goose board books, among them the ALA-ALSC Notable Children's Book What's Up, Duck?; Duck & Goose,

It's Time for Christmas!; and Duck & Goose Colors! The Rocket series includes a board book, Rocket's Mighty Words, and two leveled readers, Drop It, Rocket! and Rocket's 100th Day of School. Tad lives in Brooklyn with his wife, their two children, and a dog named Rocket. Visit the author online at [tadhill.com](http://tadhill.com). Lauren Savage and Ross Gruet are siblings who grew up in Longmeadow, Massachusetts, and now write music together from opposite ends of the country. Lauren is the owner and creator of The Reading Bug, a children's bookstore in San Carlos, California. She graduated from Emerson College in Boston with a BFA in musical theater and has performed in many Off-Broadway and regional musicals, as well as in some film and TV productions. She lives outside San Francisco with her husband and two young daughters, who love to dance and sing. Ross is a multi-instrumentalist and graduate of Berklee College of Music with a degree in Music Business and Management. He has toured and recorded in a variety of major- and indie-label bands, playing guitar and piano and singing. He is a project manager for Yep Roc Records and lives in Durham, North Carolina, with his wife.

This book was phenomenal for my class. Everyone loved the beautiful pictures and the song was very easy to download from the website provided. I was surprised to see all the resources the author gives with the book such as coloring pages and activities that I was easily able to integrate into my class. If you homeschool or teach I highly suggest this and all Tad Hill books to you. I run my own business teaching American Sign Language and enjoy using these books with all of my students. Check out some of my other favorites! Duck & Goose, Here Comes the Easter Bunny! Duck & Goose, How Are You Feeling?

It's cute and all, but not much of a story. I work in a school, serving the Duck & Goose song to my TV to play for this book is a hassle and it's weird to read the book. Cute, but not really worth buying. I'd skip this and go for the non-song Duck & Goose books, my toddler class LOVES them.

This is my least favorite Duck and Goose book thus far. I don't care much for the song either. My toddler son, however, enjoys reading this book and dancing as I read it to him, so other people may also like it as well.

I've purchased several of these books. Very cute when I used the books as part of my decorations for a duck themed baby shower.

Excellent book condition, My kids a I Love the story.

I like all the other Duck and Goose books - this one did not do it for me. The story wasn't really fun (in my opinion). I listened to the song online and didn't think much of that either... I was a little disappointed.

My 3 year old grandson loves this ! Each page gets you up and dancing with the duck and goose. Such fun to do with him.

My son loves duck and goose for bedtime stories. However, given this is more of an interactive dance book, it doesn't fit the bill for bedtime.
