Samurai Kids #3: Shaolin Tiger

Synopsis

The unlikely heroes of the Cockroach Ryu face their greatest danger yet – a warrior seeking revenge against his former teacher, Sensei Ki-Yaga. The White Tiger Temple is under threat. To help the Shaolin monks, Sensei Ki-Yaga and the whole gang of samurai kids – from Niya Moto, the boy with one leg to Taji, the boy who is blind – embark on a perilous journey across the Sea of Japan to China. But soon they discover that getting there is only half the battle. A great danger awaits them: a former student of Sensei named Qing-Shen, China's Warrior, now the most skilled soldier in the Middle Kingdom. But Qing-Shen is also a man with a vendetta against his onetime teacher. Could there be anyone more dangerous? The samurai kids must train in the ways of the Shaolin monks before facing him. But will they be able to protect the temple and their beloved Sensei?

Sandy Fussell lives in Australia. She majored in mathematics, is intensely interested in history, and now works in information technology. She is the author of the Samurai Kids series, which includes White Crane and Owl Ninja. --This text refers to an out of print or unavailable edition of this title.

I CHOSE THIS BECAUSE OF MY GRANDSON'S INTEREST IN SAMURAI. THE DESCRIPTION

SOUNDED GOOD AND AGE-APPROPRIATE BUT IT IS NOT. DEFINITELY A READ FOR OLDER CHILDREN (TEEN) TO ADULT.

My nine year old boy loves this series!

My 9 year old only read about half of the book. He said it was boring (now this is a kid who loves to read and reread books) but my son likes books more like diary of a wimpy kid books.

I love the messages of honor and respect that are tucked inside the story. The kids love the excitement and the unique characters.

I have enjoyed the audio versions of the first 3 books (sadly don't seem to have audio of book 4) and am beyond impressed. I am an adult, martial arts practitioner & instructor I found so many great lessons in these books for both children and adults. Great for all ages! I simply couldn't wait to learn what happened next. The person who did the audio version is versatile, deep, talented and a perfect fit.

just fine. Now that's a product.... This is a solid piece of steel... Much more than I expected.... for myself, recommend it to my friend. very good.
