Jesus Speaks To Me About My Baptism

Synopsis

I was so happy the day your parents brought you to the church to be baptized. Do you know why? Because it was the beginning of our special friendship! Most children are baptized as infants. This beautifully illustrated book will endure for years after that special day, helping children to realize that at their baptism, they became a child of God and a member of his family, the Church. Jesus speaks directly to the children, explaining step by step what happened at their baptism and why. Each part of the rite is linked to a scene from Scripture, such as the story of Noah's Ark and Jesus' own baptism in the Jordan. Pages for photos and other memories make this a thoughtful gift for any child who is being baptized a gift they will enjoy as they begin to understand the special friendship they have with Jesus. Includes prayers as well as illustrations of the objects used in the Rite of Baptism, such as the baptismal font and the Easter candle. Especially appropriate for children ages 7 to 11.

I'm expecting my 1st great granddaughter soon and I bought this in place of a greeting card because my message will live on with her! I've also bought the companion 1st Communion book for my nephew. It's wonderful to hear the young adult grandchildren express their appreciation for the messages I leave them in cards and books. They never forget!!

Beautiful illustrations complement well done explanations of various aspects of the sacrament of baptism. A book children can grow with. I bought one for my son as well as 3 friends having their little ones baptized. Exceptionally well received as a gift!

Excellent book for school-age Catholic children.

I gave it as a gift, the person receiving it said it reminder her of the important things about baptism. She plans to read it to her granddaughter who is not yet baptized.....but hopes to be soon.
