# Gathering The Threads: A Novel (The Amish Of Summer Grove)

## Synopsis

Finally back in the Old Order Amish world she loves, Will Ariana's new perspectives draw her family closer together or completely rip them apart? After months away in the English world, Ariana Brenneman is overjoyed to be in the Old Order Amish home where she was raised. Yet her excitement is mixed with an unexpected apprehension as she reconciles all she's learned from her biological parents with the uncompromising teachings of her Plain community. Although her childhood friend, ex-Amish Quill Schlabach, hopes to help her navigate her new role amongst her people, Ariana's Daed doesn't understand why his sweet daughter is suddenly questioning his authority. What will happen if she sows seeds of unrest and rebellion in the entire family? Meanwhile, Skylar Nash has finally found her place among the large Brenneman family, but Ariana's arrival threatens to unravel Skylar's new identity and her sobriety. Both Ariana and Skylar must discover the true cords that bind a family and community together and grasp tight the One who holds their authentic identities close to His heart. Gathering the Threads is the third and final novel in The Amish of Summer Grove series.

## Customer Reviews

Gathering the Threads is book 3 in the Amish of Summer Groves series. While it could be read as a stand alone book as the author provides a "the story so far" blurb in the beginning I highly recommend reading the first two books! I've had this book preordered since January when all it had was a title and a release date on and it did not disappoint. Without giving too much away the story focuses on two girls who grew up in very different worlds-one Amish and one English- and through a twist of fate, or maybe God's hand, they were forced into each other's lives and worlds. They are forced to reevaluate things they had always taken as fact and really begin to understand who they really are as people outside of their family and community. I often find Amish Fiction a bit predictable though I still love it. Cindy Woodsmall's books, and this one especially, is far from predictable. I had no idea where the story was going until it got there! I highly recommend this book along with any other of Cindy Woodsmall's books!

At first I didn't think I would like or finish the series but soon got into the many characters and couldn't put the books down. My all time favorite series from this author is Sisters of the Quilt which was a marvelous series. Wonderfully talented and gifted author. This series addressed some difficult issues but was handled and written very well.

Church life is often seen as a list of rules, regulations and restrictions. Those are given by a loving Father who wants a relationship with all of us, on His terms. This book explores the extreme sides of that, and honest heartfelt dialogue and relationships in the midst of it. Never been disappointed with Cindy Woodsmall. Keep a lookout for whatever she's got coming next!

This series of books by this author is fantastic. They are books you won't want to put down. I would highly recommend this series. It would be nice if she wrote another one in this series.

This whole series was a wonderful read. I loved all three books. I would highly recommend this series to all. Thanks Cindy for all your hard work.

Loved everything about the story. Well written. Recommend to everyone to read it. Once again great job Cindy Woodsmall .

Excellent reading! I enjoyed all three books on this series! Great plots and character development. Loved every bit of the story that was skillfully woven!

as always another great trilogy from cindy smallwood. i have been waiting on pins and needles since january for this book to come out in august, and i was not disappointed.
