Customer Reviews

I voluntarily read and reviewed an advanced copy of this boxset Sold on Valentines Day Celeste has agreed to help out her friend Rachel to go up for auction on Valentine's Day at a private club to be a date for 1 night, dinner nothing more unless she wants it. Celeste is still a virgin and is very nervous about doing this but she never goes back in her word to help her out. Once she arrives a bit late she

misses what color bracelet to wear as due to the special event there are not any yellow. Bianca helps her out and tells her to wear pink and from their short conversation Celeste has an uneasy feeling about her. Once the bidding starts Celeste can not believe what she has been sold for a million dollars for a dinner date. Once Max takes her into a private room does she realize she's not having dinner but something totally different. Max gets her to tell him about herself and takes her virginity. At the end it all unravels and they go separate ways. They are both misled by Bianca again but to Bianca's horror it falls apart around her and Max and Celeste find a way to move forward.

This is a HOT sexy quick read with lots of action as well.

Sold as a Fake Fiancee Veronica is a spunky college student when her best friend Stacey tells her about an auction (that features Virgins) Veronica just laughs it off that is until she gets some very unsettling news about her mom, That changes her thinking. Issac has to find a bride before his father dies, That is the stipulation his dad gives him if he wants the company turned over to him. Issac sees Veronica and knows she is the one who can be his fake fiancee. She will be perfect for the job. When Issac finds things in his father's company books that seem off, Veronica is the one who helps him figure out what is going on, This was a bit different than most of the fake fiancee' books out there right now and Julianna and CA never disappoint when they write together, LOVED it.

Sold on Spring Break Mallory has a sheltered life, she is under her parents control yet she has decided that she is going to lie to her dad and go on spring break vacation with her friends. Her friend is doing this to help raise money for her aunt to save the children's camp she runs. When Mallory is basically forced into being auctioned off she finds the stunning man who rescued her in the ocean is bidding on her, Bryant is not happy that his brother is using his resort for this auction and has no desire to attend that is until he finds out that Mallory is going to be auctioned off, He will pay any amount to win her. This is one HOT HOT sexy book I LOVED it.

Sold on St. Valentine's Day-Celeste is a virgin who agrees to fill in for her friend at The Exchange. It is a special Valentine's Day auction & all Celeste has to do is dinner unless she wants to do more. Maxim is a frequent patron at the Exchange. & when he hears there is a new girl he vows to get the highest bid. When he finds out she is a virgin that makes the deal sweeter. He can't believe that a

virgin would be interested in his sexual desires. Maxim & Celeste have a hot time for their 'date'. However, neither expected more from their encounter, especially Maxim. Will this one time turn into something more for Celeste & Maxim? I voluntarily reviewed an Advanced Reader Copy of this book. Sold on St. Patrick's Day- Jade is a nineteen year old virgin who is in Ireland for three months for school. She is a witness to a fight & doesn't tell anyone. The next day she goes back home to Boston. Gavin is supposed to find out what she knows & if they need to worry about her. Gavin already thinks she's gorgeous, but up close she's even better. This is a short novella that is hot & have two people falling instantly in love. I voluntarily reviewed this ARC. Sold as a Fake Fiancee- In this book we're back at the exclusive Billionaires Exchange Club. Veronica is a college freshman who finds out her mom needs money for a new cancer treatment. She decides that she will sell herself & her virginity to get the money. Isaac finds out that he needs to get married for him to inherit his father's company. He goes with his two friends to the auction & when he sees Veronica he knows she will be perfect. Him getting to have her virginity is the cherry on top. They both realize they want this to be real, but thinks the other doesn't want it to be. Will they finally admit their true feelings to each other? The chemistry between Veronica & Isaac is hot & steamy. I voluntarily reviewed an Advanced Reader Copy of this book. Sold at the Company Party- We're visiting the Exchange again for a few surprises. See Celeste & Maxim, Jade & Gavin and Isaac & Veronica. See how they are doing and what happens at company parties. This is told from Jade and Gavin's pov. This is an excellent box set you shouldn't miss. Enjoy your time at The Exchange.

Three books and a bonus book all together for one great price! I've only read one of these books so far, but I have yet to read anything by this author that isn't great! Here's my more detailed review on the one I've read. Isaac's father is dying, but he can't only leave the company to Isaac if Isaac gets married. Isaac decides he'll pay someone to act as his fiancée, but he can't but imagine having a fake engagement with any of the money-hungry, flighty women he's dated in the past, so he agrees to go to the Exchange Club with his friends and purchase a woman to act as his fake fiancée. Veronica is a brilliant, mature college student who needs money for her mother's cancer treatments, so at the prodding of her friend Stacy, she agrees to auction herself off at the Exchange Club. Isaac and Veronica's attraction is instant, their chemistry is explosive, and each has trouble remembering the fake part of their transaction. Another winner by Juliana Connors, this is a fun, sweet, lighthearted read and an enjoyable way to spend part of the evening. I voluntarily reviewed an ARC copy of this book in exchange for an honest review.
