## Synopsis

This illustrated Travel Guide is a part of the Mobi Sights series, our concise guides that only feature the most essential information on city attractions. This guide is designed for optimal navigation on eReaders, smartphones, and other mobile electronic devices. Inside you will find a locator map and a list of top attractions linked to individual articles. Addresses, telephones, hours of operation and admissions information are included. Please search for "Travel Bermuda", part of the Mobi Travel series, if you are interested in the complete travel guide that includes more maps and attractions with additional articles on history, cultural venues, transportation, districts, dining and accommodations. NEW FEATURE: The attraction articles now include links to Google Maps. On a dedicated electronic reader with a slow connection and a primitive browser, Google Maps will display the attraction on the map along with metro stations, roads, and nearby attractions. On an internet-enabled device such as the iPhone and the iPad, Google Maps will even show you the route from your current location to the attraction you want to go to. With this travel guide you can turn some eReaders into an audio guides. For example, on the Kindle, just open an article and click Shift+SYM to activate text-to-speech. Put the speaker on the back of the Kindle against your ear and enjoy your virtual travel companion. Press Spacebar to pause/resume text-to-speech. All travel guides in the Mobi Sights series are only \$0.99. Search for any title: enter mobi (short for MobileReference) and a keyword; for example: mobi Paris.
