We installed Ninja Selling at LC Home and LC Real Estate Group 5 years ago with dramatic results. Ninja Selling has eliminated ANY problems in the sales area of our company and improved relationships throughout the company and community. I have taught classes with Larry Kendall at Colorado State University and worked with him in his role as Chairman of The Group, Inc. : He is one of a kind and a true gem! In Ninja Selling Larry outlines the Ninja System that is easy to understand, use, and TSW ("this stuff works!"). I am five chapters in and it's hard to put down. I find the advice useful and the book is an easy read. Not just for someone in real estate or even in sales, but for anyone looking to be more successful and possibly get out of a rut. Good read!

This book immediately moved to the top on my 'favorite business books', bumping The Slight Edge down to number 2. I am not a realtor but the content is applicable easily across the board to anyone seeking to improve their sales approach and follow up. It will be easy to adapt his systems to create my own hot and warm lists and follow up call scripts. Thank you Larry Kendall for putting this together.
