I have read/listened to this book daily for several months and will continue to do so. Thru a very trying year (death of a parent, divorce & etc), this book has really focused me on what's most important in my life - having a close relationship with GOD. I have read/listened to several of Joel's books but this is the one that I will continue to read daily with my bible. Thank you Joel for writing this book of declarations.

I really enjoy Joel Osteen, great to wake up and listen to the Word and the hope that it gives. I believe in what Joel is saying because he does back it up with scripture, and I know the verses he quotes. There is always hope in the Bible and Joel with his little booklet (this is very small booklet) enables people to have it on their person without having a large book to carry. Its very easy to put in a handbag or in a man's pocket where one can pick up and declare these promises of God. For the above reasons I can say its a good purchase.

Joel Osteen is a wonderful pastor, teacher, and writer. He is blessed with wisdom and insight. His teachings are very loving, encouraging, uplifting, and profound while being lighthearted. This book is divided into 31 days, so each month we can start anew and get the teachings deeper inside us. This little book fits in so many places at home, and can be taken along in the car, luggage, or purse. Makes a nice gift for anyone who wants to be lifted up, encouraged, and grow in the Lord.

This a great book! I got it at a time when I really needed to be reminded of how God would work things out. It gave me peace of mind as I went though some hard times. I read the whole book at once when I got it and his stories were so relevant to what I was dealing with. I still go back and read a day at a time because the statements he makes are so inspiring and always make my day better.

I have been reading this book for the past 40 days or so - This is the 2nd round that I am reading it. During the past 40 days I have - 1) Increased my passive income by about 30% 2) I have met the women of my dream and now I am in a relationship (after many years) 3) I am feeling more hopeful and confident than ever. I honestly say Joel Osteen is an incredible gift to our humanity. I also listen to his podcast at least ONCE per day (been doing it for months now) and I have a total new hope, charisma and joy in following the word of christ. I highly recommend any one who is interested in becoming more happy, wealthy and joyful in the lord, to ignor all the negative talks by the haters, and really believe that Joel is the real deal. I had the blessing to meet him and his family at the VANCOUVER night of hope show, and he really is how he looks, he is loving, he is funny and his message is incredibly transformative.

I have studied the likes of James Allen, Wallace Wattles, Bob Proctor, Kevin Hall, and Napoleon Hill for many years. All of them parallel what is taught in the Holy Bible, that words and thoughts create your future. I've also learned through the research of Christian Quantum Physics expert David Van

Koevering that "matter has memory." Matter, like a tape recorder, records your thoughts and words. I was given Joel Osteen's book "I Declare" as a gift and, it was so terrific, that I began purchasing it for other people. Before you use this book though I suggest using Dr. Van Koevering's approach of "erasing the matter tape" in your surroundings first and then using Mr. Osteen's declarations as a replacement so that the matter in your everyday life records new faith filled positive recordings. It truly is a simple thing to do yet the premise is very deep. Use Van Koevering's teachings first and THEN start your declarations in Joel's book. I also highly suggest using "musical declarations" such as those taught by Christian Prophet Kim Clement. Bottom line- if you want change in your life begin your declarations as soon as possible. Because you are the sum total today of what you've thought about and said in the past.

I am a big Joel Osteen fan. I read for 15 min or so before I go to bed each night. This ends my day on a very positive note... I thank God for all his blessings in my life... Then I can go to sleep knowing God is watching over me. I have also purchased thru a couple of Joel's books on CD. I wake up to one of his CDs every morning ... Listen to it while getting ready... Really uplifting... Perfect start to a great day!!! I highly recommend. I also have one of his CDs in my car... I believe my investment in Joel Osteen's books and C D's have very influential in making me a better person, a better Christian, and has improved my life overall.
