Hillary's America: The Secret History Of The Democratic Party

Synopsis

The #1 New York Times bestseller and source for the blockbuster feature film Hillary's America, the top-grossing documentary of 2016... Dinesh DA¢â ¬â,,¢Souza, author of the #1 New York Times bestseller America: Imagine a World Without Her, has a warning: We are on the brink of losing our country forever. After eight years of Obama, four years— or possibly eight years— of Hillary Clinton as president of the United States would so utterly transform America as to make it unrecognizable. No more will America be a land of opportunity. Instead, it will be a land of rapacious crony capitalism, run solely for the benefit of friends of the Obamas and the Clintons and the Democratic Party. It will, in fact, be the fulfillment of a dream the Democratic Party has had from the beginning…a dream of stealing America for the politically favored few. In Hillary's America, D¢â ¬â.,¢Souza reveals the sordid truth about Hillary and the secret history of the Democratic Party, including: how Democrats transitioned from pro-slavery to pro-enslavement; the long-standing Democratic political war against women; how Hillary Clinton A¢â ¬â,¢s political mentor was, literally, a cold-blooded gangster; how the Clintons and other Democrats see foreign policy not in terms of national interest, but in terms of personal profit; how Democratically controlled cities have turned into hotbeds of crime and corruption; and much, much more. Not only is Hillary Clinton a liar and a criminal \$\%\pi\$151; who would have been indicted for mishandling classified information on her secret email sever had the Democratic Party not closed ranks around her—she is also the culmination of her party's deliberate and stunning plot to redistribute wealth and political power to the liberal elite. Find out how Hillary and Bill used the Clinton Foundation to ruthlessly sell State Department influence to the highest foreign bidder. Find out what shady backroom Democrat dealers taught Hillary Clinton her particular brand of corrupt party politics. And most importantly, find out whether America can stop her from destroying the country once and for all.

"Utterly terrifying-and based on a true story."-William Peter Blatty, author and producer, The Exorcist

America at the Abyss Bestselling author Dinesh D'Souza has a warning: We are on the brink of losing our country forever. After eight years of Obama, four years—or possibly eight years—of Hillary Clinton as president of the United States would so utterly transform America as to make it unrecognizable. No more will America be a land of opportunity. Instead, it will be a land of rapacious crony capitalism, run solely for the benefit of friends of the Obamas and the Clintons and the Democratic Party. It will, in fact, be the fulfillment of a dream the Democratic Party has had from the beginning \$\#133; a dream of stealing America for the politically favored few. In this, his shocking new book—accompanied by a sweeping, dramatic documentary film—D'Souza reveals the sordid truth about Hillary and the secret history of the Democratic Party: Why Hillary is the most corrupt presidential candidate ever Hillary, the enabler: the long-standing Democratic political war against women, now led by a woman who has defended an alleged rapist How the Democratic Party—the party of slavery, segregation, and eugenics—remains the party of racism, welfare enslavement, and "liberal fascism" How Hillary Clinton's political mentor was, literally, a cold-blooded gangster, and how progressive gangsterism shapes her worldview Foreign policy for sale: how the Clintons see foreign policy not in terms of national interest, but in terms of personal profit Obama's heir: how, if elected president, Hillary will entrench leftism in America's federal bureaucracy and the Supreme Court in ways that will haunt us for generations to come Americaââ ¬â,¢s only hope, says D'Souza, is a resurgent Republican Party, the party of Lincoln and Reagan; the party— historically and today— of civil rights, economic opportunity, and freedom; the party that, under the banner of Donald J. Trump, truly has the opportunity to not only save America but make it great again.

I just got finished watching the film, "Hillary's America," and I am also widely read in other books on this subject, and in my opinion this book is right on target, contrary to the one star reviews of " Customer" (July 18, 2016), D. Wnukowski (7/22/2016), j. w. ((7/21/2016), and "Customer" (7/21/2016). You see, I am an Internal Corporate Criminal Investigator and Data Forensics expert under the Florida Statutes 493.6102, sub-paragraph 3. I am not an attorney, and under this law I can investigate suspected crimes as long as I am doing so for my employer - without a Private Investigator's license, and I have solved virtually every case I have ever investigated - a 100% success rate. I LOVE catching the bad guys. Immediately, Hillary Clinton and her staff handled, as FBI Director James Comey stated in his wrap-up of Hillary's e-mail scandal, 110 e-mails THAT WERE CLASSIFIED AT THE TIME THEY WERE SENT. Of those 100 e-mails 8 were classified Top Secret, 8 were classified Confidential, and the rest - some 94 of them - were classified Secret AT THE TIME THEY WERE SENT (Check this out by using a search engine). Comey even stated that Hillary Clinton in her role as Secretary of State, and her staff, were careless and negligent in handling these classified e-mails - WHICH WERE NOT SENT VIA A STATE DEPARTMENT SERVER BUT ON HER OWN PRIVATE SERVER, WHICH COULD BE HACKED. Accordingly, because of these national security violations, Hillary Clinton and her then State Department staff could - and can - are potentially liable for prosecution under the Federal Statutes governing national security and the security of United States secrets, namely, the McCarran Internal Security Act of 1950, Title 18, United States Code, Section 793 (f) and 18 USC 795. Moreover, Hillary Clinton has a rap sheet three decades long - Using her position as Secretary of State to induce foreign governments and corporations to pay Bill Clinton for speeches for fees running as much as \$750,000 per speech, enriching the Clinton Foundation in an effort to engage in influence peddling (which, by the way, is illegal under Federal Law), IRSgate, Filegate, Chinagate, keeping a lid on Bill Clinton's "bimbo eruptions," using the Lincoln Bedroom as a fundraising perk for mega-donors, White House Travel Officegate, Cattlegate, Whitewater, Hillary's "missing" Rose Law firm billing records, Pardongate, Benghazi (failure to go to the aid of and defend American lives in Libya), and her radical mentor Saul Alinsky. QUESTION: Why has not the Democratic Party fielded someone else with a cleaner record as its candidate for President of the United States? Is Hillary Clinton the best candidate that the Democrats can find? I seriously doubt it.

Do you ever sit back and find yourself wondering just HOW Hillary Clinton became the democratic nominee? If you $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} ,¢re like me, then your answer to this question is definitely yes. Given her HORRENDOUS track record (as author Dinesh D $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} ,¢Souza points out with

After reading this book, I learned a lot about the Democratic party; things I would have never otherwise learned. For example:- Did you know that it is the Republicans who originally opposed slavery?- Did you know that the 13th amendment (the amendment that abolished slavery) was passed with overwhelming Republican support?- Did you know that the Republicans were originally for women $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $-\tilde{A}$ \hat{a} , ϕ s rights?- Did you know that the Ku Klux Klan was originally a democratic party aimed at terrorizing slaves?Doesn $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ t quite fit the the CNN portrayed $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{A} "Democrats are the second coming $\tilde{A}f\hat{A}c\tilde{A}$ \hat{A} \tilde{A} narrative, DOES IT? Folks, pay attention to what is going on in the news and media these days. It seems that the Democrats and liberals want nothing more than to divide us. They make issues that aren $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ t even about race, into ammo for people to claim that they $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} , ϕ re victims of racism (looking at you, Obama). I am glad people are FINALLY starting to wake up to the corruption that we are currently calling the presumptive Democratic nominee. I would absolutely recommend this book, and think that anybody who is looking to vote should read this book first. $D\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ Souza has a very easy to read writing style, that captures you from the first page, making it very difficult to put the book down.

Again, Dinesh D'Souza has written a well documented book on why we must stop the Democratic Party and its presumptive candidate Hillary Clinton from keeping the Whitehouse. I loved reading about the little known facts of Andrew Jackson's true history. I am looking forward to the upcoming documentary. The American people deserve to know the truth.
