Juliette Gordon Low: America's First Girl Scout (Women Of Our Time)

Synopsis

"Ask the girls," Juliette Gordon Low always said when a problem came up. "They'll know what's best." But in 1912, no one thought that children should be listened to. No one except "Daisy," that is. She wanted girls to learn that they could be active and make a real difference in the world. She overcame both deafness and the disapproval of her family to establish the Girl Scouts. Now, more than four million girls are Girl Scouts in the United States alone.

Grade 3-6 Most of what is known about Low is standard fare gleaned from Girl Scout handbooks and reference books. Yet, as this sprightly biography shows, she was a genuine character: colorful, with a great zest for living. Strong of character and used to having her own way, she had a sharp wit and loved to play pranks on her family and friends. The essence of brief biography, this is cozy, full of homey tidbits, and just right in appeal to today's children. Pamela K. Bomboy, Chesterfield County Public Schools, Va. What an interesting life she led! Excellent choice for my fourth grader to research an important woman in history! Our house is full of Girl Scouts.

Great book of facts.

Reading grade level is 2- early 3. Needs other sources for complete facts

Awesome book! Written with young kids in mind. My daughter learned a lot about Juliette Gordon Low and even dressed up as her for Storybook Character Day at school.

This book is about Juliette Gordon Low, who is the founder of Girl Scouts. It is such a good story and a wonderful read. I found some things I did not know about her and I thought I knew pretty much all there was to know. She went to school not too far from us. It's place we go there often to shop for the day. There is such interesting things about her which makes the book so wonderful to read.
