product was as described, arrived on time. Would buy again and from same vendor.

I regret purchasing this book! Any person who has experience in writing and/or grammar will be gravely disappointed with the contents of this almost English 101-level text.It may be useful to ESL professionals.

Excellent book to help with drafting legal documents. It does not have information for ALL legal

documents but it is a great reference guide.

It is an excellent book in learning how to correct your language to perfect writing sentence structure. It has helped me tremendously.

This book is an amazing summarization of everything you'll need to know for legal writing. Well organized and a user friendly lay out.

Very helpful in my legal studies writing. Perfect size, small and compact. Laid out well with easy to find info.

Not what I expected but it's fine for what I paid for it.

This guide has been a great resource for the legal research and writing courses I am required to complete as part of a paralegal studies program.
