The Book Of Pastoral Rule: St. Gregory The Great (Popular Patristics Series)

Synopsis

Recognized as the most thorough pastoral treatise of the patristic era, this sixth-century work by St Gregory the Great carefully details the duties and obligations of the clergy concerning the spiritual formation of their flock. 'Pastoral Rule has served for generations of Christian readers in East and West as a moving, comprehensive description of ministry in the Church. This new translation by George Demacopoulos-the first in English in more than fifty years-is lively and accurate, and makes this early Christian classic once again available to us all... Required reading for all pastors!'

Customer Reviews

Here is the information about the book from the St Vladimir's Seminary Press page. The Book of Pastoral Rule St Gregory the Great Popular Patristics Series vol 34 Introduction & translation by George E. Demacopoulos Recognized as the most thorough pastoral treatise of the patristic era, this sixth-century work by St Gregory the Great carefully details the duties and obligations of the clergy concerning the spiritual formation of their flock. "Pastoral Rule has served for generations of Christian readers in East and West as a moving, comprehensive description of ministry in the Church. This new translation by George Demacopoulos-the first in English in more than fifty years-is lively and accurate, and makes this early Christian classic once again available to us all... Required reading for all pastors!" - Brian Daley, SJ "Pope St Gregory the Great is among the Latin fathers perhaps the closest to the Greeks, and his Pastoral Rule brings out this affinity and shows us

Gregory as a true pontifex, that is, 'bridge-builder,' between East and West."- Andrew Louth
About the Author: George E. Demacopoulos is Assistant Professor of Historical Theology at Fordham University and author of Five Models of Spiritual Direction in the Early Church. This is not from the website but helps clarify that the "Book of Pastoral Rule" by Gregory the Great is the same as "Pastoral Care" by Gregory the Great. About the different titles: "Since its first translation into English in the ninth century we have continued to call this book 'Pastoral Care,' a title which is most probably derived from its opening words: Pastoralis curae ... But the author, Gregory the Great, ... refers to it as 'Liber Regulae Pastoralis,' the 'Book of Pastoral Rule'" (page 3 of the introduction of the Henry Davis translation).

Very useful for understanding this great Pope, whose advice for priests and bishops remains important today. This finely translated edition of Gregory's thoughts gives new insights into this important man--without whom western civilization may not have evolved as it has.

Amazing insight into early pastoral care

Excellent material if you wish to advance spiritually. Uplifting and inspiring.

Outstanding!

Excellent book, had never read St. Gregory before, and I found his wisdom to be timely, honest, and a pleasure to read. He is a great communicator.

Another great book that is great for both the layman and ministers that all should read

this was a treasure. different perspective but good to have
