Customer Reviews

my nephew is into power ranges, so i got him this book...he is only 4, so the book was a little too advance for him, but he LOVED it!he kept walking around with this Bibleman book and was excited about his God and Jesus book

This is my sons first Bible other than gifts given at birth. He has really enjoyed it so far. He is six and some things are advanced for him, others are not. It will be age appropriate for several years.
