Really helpful keeping a senior's brain active.

From a Mom of 6, I can honestly say my children love this book and ask for it consistently, and don't want just one story, but all of them! (There are 10.) A big bonus is the hardcover, and the beautiful illustrations. From 4 years on up, this is a keeper. Mary Manz has such a gift with storytelling, and interestingly and accurately. A must get! (or gift!)
