The Dutch Oven Cookbook: 25 Delicious Dutch Oven Recipes For Your Dutch Oven

Synopsis

A Dutch oven is made to last. So much so is that statement that Le Creuset, famous cook-ware makers, have lifetime guarantees on their Dutch ovens no matter the long simmering heat they usually endure atop your stove. Which is why these heavy-duty kitchen principals are so key to low, slow fall cooking, taking care of everything from braises to stews to breads. So after a long summer on the shelf, dust off that pot and let's make one of these 21 warm, toasty, tummy-filling fall recipes.

Customer Reviews

Because I have a Lodge 10 inch Dutch Oven, I decided to purchase this cookbook as it is for Dutch Ovens. Because I love to use my Dutch Oven, I have found that this cookbook is now one of my favorites. The recipes call for ingredients that I have in my kitchen and the instructions are quite easy to follow. Also, there are great pictures of the finished recipes in this book. My favorite recipes are: Comforting Chicken Fricassee, 2 Hour Chili, Chunky Tortilla Soup with Black Beans and Lemony Chicken Soup with Greens. All as so easy to prepare and the flavor is so so tasty! Highly

recommend this cookbook!

I was gifted a Dutch Oven last year for Christmas and I have to admit it was collecting dust for a while. But when I saw that this book had a recipe for Mardi Gras red beans and rice, I HAD to break it from the cabinet. This is my favorite food!! There are NEVER recipes for this and it even tells you to mash the beans like in a normal Creole restaurant. This cookbook has so many easy recipes, I was even inspired to make the Peach Crisp recipe and I am a TERRIBLE dessert chef. THIS PEACH CRISP IS SO GOOD. This book is so inspiring and extensive! Do yourself a favor Dutch Oven owners, BUY IT. And if you don't have a Dutch Oven yet, this book will make you ache for one!

This book is so amazing! I just purchased a Dutch Oven last week and I honestly had no idea how to use it. This cookbook has so many interesting recipes, and so many different methods of using the Dutch Oven that it had already added so much variety to my cooking style. I loved the recipe for hoecakes and just tried them out this morning. They are so thick and fluffy and amazing! I can't wait to try to make the Smoked Barbecue Beans over my very own campfire! I've never seen such an extensive amount of options that allow you to choose your cooking method, this cookbook is amazing.

What a pleasure to read a recipe book where every recipe is exciting. A clearly presented collection of tempting possibilities, with interesting combinations of ingredients. Nothing too complicated or bizarre, but rather dishes that ask for a bit of time and caring input, and promise a well earned enjoyment as reward. I would definitely recommend the book to any dutch oven cook, and am looking out for more by this author.

Good Read, Free when I got it.

As advertised. Good resource.

Great recipes.

I have my grandmother's Dutch Oven. Since my mother is 98, the Dutch Oven has to be 100 years old. I also have an induction cooktop. Cast iron works best on the cooktop. What fun it was to find

this book and some new ideas for the Dutch Oven.
