Customer Reviews

This coloring book is hilarious! I like the black pages as a change of pace from typical white page coloring books. The sayings are mostly not too raunchy. I would rate it PG, or at the most PG13. These are one sided pictures. You can use the blank sided to test colors, etc. And you could hang the picture without losing one. Great stress relief. It's wonderful to have something to color besides happy, happy goeey all the time!! I received this product for free or at a discount in exchange for my honest and unbiased review.

I am new to the adult coloring world but have fallen in love with it! Love the snarky books!

This book is okay it definitely wasn't what I was expecting so I was a little disappointed there are few pictures in there though that will be fun to color

Calm your tits! ha ha! GREAT book! I love it!

Fun and funny

Most of the pages are funny, but there's some that had me wondering who thought of them. I'd look a little further for more fun booklets, but this was great for the price!

I enjoy this but its not as detailed as I thought it would be. I thought there would be more to color but the sayings take up most of the page. They are pretty hilarious though. People I showed kept trying to rip out pages before I even got to look through the whole book.

Perfect, black paper background making gel pen colors pop. Not real busy so the words stand out!
