The Bible Knowledge Commentary: An Exposition Of The Scriptures By Dallas Seminary Faculty [New Testament Edition]

Synopsis

HELP FROM EXPERT SCHOLARS IN UNDERSTANDING THE SCRIPTURES • What does That verse mean? • How should I interpret this passage? • What is the significance of this word or phrase in Hebrew or Aramaic? • How do Bible-time customs help me understand the meaning of this passage? • How does the information on the author, historical background, and features of a Bible book help interpret that book? The Bible Knowledge Commentary answers these and other questions about the Scriptures, discussing all the Bible verse by verse and often phrase by phrase. In addition, maps, charts, and diagrams help you grasp the meanings of the biblical text. Unlike most others this commentary is by authors from one school - Dallas Theological Seminary. The Bible Knowledge Commentary - popular in style and scholarly in content - will deepen your understanding of God's written Word. The Bible Knowledge Commentary will be welcomed by a wide spectrum of Bible students, from the beginner, who will find it easy to understand and easy to use, to the advanced, who will find it consistently thorough and reliable. The readable style, combined with careful scholarship, make this a Bible study aid I and others will add to our "most-used" shelf of books. At last...a commentary we can all believe in. Sunday school teachers and many others at our church will find The Bible Knowledge Commentary extremely helpful.

Excellence!

Love it.

Wonderful commentary! I will use it over and over again!

Excellent commentary, gives references to scripture referred in commentary explanation, backs up commentary with scriptural texts. The references and explanations are from scripture, not personally based beliefs. Very pleased with this reference.

This is a great starting-place commentary for the Bible reader who is ready to pursue Biblical knowledge and know God better. I highly recommend it!

This commentary set is great! Not only do I own it, but I also bought it for someone else. For a two volume commentary, the content is excellent and very insightful. You should not be disappointed.

I had to get this for school. The commentary helps to understand the difficult passages. There is a lot of information.
