Customer Reviews

I said great, great, great, good..ok great, not enough words. Ok...really super duper great. Like Tony the Tiger says it's grrrrreat,

I love having two different versions to bounce back and forth with - the comics and the show. This comic just got real as hell and I cannot wait to see what Rick is going to do when he finds out about Andrea!

Intense action as the survivors continue to work on the ocean of the dead. Eugene continues to show new courage. Good cliff hanger ending.

I am a 55 year old woman that loves The Walking Dead. Both the show and the comic. Loved this issue as always and can't wait to see how they resolve what happens at the end of this one!

Awesome great intense action packed storyline scared about Eugene and Andrea at the end seems like one of them got bit

Beautiful art and action packed. That ending tho! I love how they are packing more cells into the pages. Really makes you feel the tension.

Keep them going! Love how this story line keeps getting better and better! Can't wait to read the next issue!
