Customer Reviews

Helpful and useful book! Money is very important nowadays because it is what that makes us be invincible to anything. The most important thing we need to be able to master is on how to effectively continue the money from rolling whether it is good or bad times. In my case, being a life coach as well as online entrepreneur is not an easy job because I need to expand my knowledge my time to time to both areas for me to be able to jump in with what's hip and trending. I am so thankful that when it comes to online business, I have found a great book that could help me educate myself with new things and strategies that I am greatly sure will improve my mindset in handling money and my business effectively. This is really worth reading book!

I was always trying to earn some money through passive income to secure my retirement , had read many books on passive income and I feel this book something for a beginner.This Book gave some great idea about passive income though selling Book online,affiliate marketing and FBA . Through the step by step information I think anyone can get help from this Book . I would recommend this book to anyone to learn something new about passive income .

There is so many ways to make money, it is just a matter of finding an idea and seeing it through. With the help of a proper guideline, you not only can start a great online business but also become successful in it in a very short time. As we all know, there are lots of opportunities online. In this

book, author shares the sure ways to generate cash flow including strategies on how to start successfully.

If you want to start something on your own and become an online entrepreneur, then starting an online business is the best way to pursue your dream. The book consists good ideas for passive income. A lot of useful information to start a passive income business. There is a lot of books regarding this subject but this one I really like,

Having a passive income is really necessary nowadays because most expenses needed to survive in everyday life gets higher and higher. I am looking for ways on how to actually have a passive income. This book is full of interesting things and I recommend it to all of you reading this!

Fabulous! This book has everything you need to know about Passive income streams online. This book provide lots of income ways & we can easily earn from home. This book gives us valuable information that we can use on daily basis for better lifestyle. Its very beneficial passive income book that is full of strategies and awesome tips. Hopefully this book will help you to make yourself financially stable.

Some great money making ideas put into one book though some of the idea can easily found on internet . I always like to learn about the passive income idea that will help me in future. From this book I like two ideas the FBA and the affiliate marketing. Though I was more interested to learn some more stuff about these two instruments But yes as a beginner's point of view this is a good to have book. I would recommend this book to anyone .

In this book I have learn the 5 profitable sources to build online passive income streams and some specific strategies on how to grow the businesses. I've got to try the methods listed in this book for me to be able to travel the world and fulfill my dreams. Having a financial security is my ultimate goal.
