## Customer Reviews

This a good comic! Normally I would read a Minecraft comic and get kinda disappointed, but this story is worth my time. It has good setting, a nice cliffhanger, and the personalities are great. However, it's a bit violent, so I wouldn't recommend it for kids. Other than that, it's all good. Plus here's some good ideas for the next episodes: 1: Make Flash's favorite food pizza! 2: Add youtubers! (Dantdm, CaptainSparklez, etc) 3: Make Bones's appearance more common. I'm only seeing Flash here. 4: Add human bad guys. 5: Please don't kill of Flash. (Or Bones)

My son would rather play minecraft than read. He's six and it's time to read! This book is fun for both of us. We sit down together and read a couple dozen pages a day. The vocabulary level is appropriate for the beginning reader--lots of sight words and a few bigger, tougher ones. My son

can work his way through most of the text, plus he really likes the short reading comprehension quizzes throughout the book. I highly recommend these books if you have a little minercrafter you want to encourage to read.

I recommend this book for kids because it has good amount of words and its not gory. ps read this book

My son, a Minecraft addict, loves reading these books. The sequels are pricey, but it's the price to pay to have your child enjoy reading. He isn't much of a reader, but he asks for these books often. The books are long enough, when I read them aloud it lasted about 30 minutes. In this particular book, Flash and Bones explore Herobrine's tomb and get some interesting surprises. These books do end with a "to be continued". When you read these, you might be done with the novel yet it says you've only read 60%. There are some paragraphs advertising other Minecraft books. All in all, a good series for this Minecraft obsessed reluctant readers. Plenty of action and actually well-written. These books do have good plots and do read like comic books, but are leaning towards graphic novels. Most Minecraft books are scams, not giving what they've been advertised and having shoddy plots. This is one of the better novels. I also recommend a comic called The Legend of Danny Diamond.

i just want to sayy how goodd your books are. i love thee picture with those details on it. i HIGHLY recommend this book. I really want thosse books out that is supposed to be OUT on endd of Fall... it end of Falll an even it is one day before winter vaca starts. i should probly say 8 or7 more hour left before vaca starts. yes it is 9 p.m for me. i am lookung foward for the end of fall books like... battle of the brothers which has a epic title picture, lost in the wvren wasteland, battle of ice and might, friend or foe part 2, and bandit origin revolution and that is all i remember. i might made some mistakes too.game time..ÃfÂçÃ â Ã Â¬|Ãfâ Ã Â® .

I don't buy these books to read them. I read them for free using kindle unlimited. With kindle unlimited, you can read books for free but you don't get to have as many books you want in your books section. You have a limited amount of books you can have downloaded or not have in your library of books but are still on your kindle. The limit of books you can have downloaded using kindle unlimited is 18 books. So I what are all you people that buy your books waiting for? GET KINDLE UNLIMITED!!!!!! :-D

this is good but i am a spoiler but read it because i could not help it so bru this is fine but now know that you should write longer stories one time i read the whole series in 2 minutes there were only like 6 pages! bru! bye bru and by the way im toy bonnie. bye!

stacy p you are wrong because you can only have 10 books at a time and its not all for free you parent or guardian has to pay lots of money so you can have it. but, im not saying that kindle unlimited is bad ( i have it and i love it) you can also read as many books as you want for that month and you pay the money at the end of the month.from: sydneyto: stacey p.
