Customer Reviews

Worth it for the front cover alone. Some great photos but the content with all of the other artists kind of lost me. Worth adding to your collection but not what I was expecting.

Ok...so I wish I could have gotten an original but, that being said...ok soooo I was just wondering why there are blank pages??? I know it is a copy.....

Fantastic publication and content. Came just as expected. Recommended highly to anyone adding to a collection

Love it; great addition to my Prince Magazine Collection

Great pictures!

no problems. love prince!

cool item.

Very nice book!! Very well put together and shipped without any damage.
