Rough Guide To South Africa, Lesotho & Swaziland, The (Rough Guide Travel Guides)

Synopsis

Make the most of your time with The Rough Guide to South Africa Lesotho & Swaziland, the ultimate guide to this stunning country. The guide contains a detailed introduction to the country's highlights - from the game trails of Kruger National Park to the picturesque Garden Route towns of the Western Cape and seclusion of the Eastern Cape. With informed accounts and unparalleled coverage, clue-up on all the top sights and experiences from the colourful residential streets of Cape Towns Bo-Kapp district to the fine and affordable vintages of the wine routes. The guide takes a detailed look at South African history, literature, culture and wildlife with expert background on everything from Cape dutch architecture to Zulu traditions. There are plenty of practical tips and information on all the best accommodation, transportation and restaurants and lively reviews of hundreds of shops, bars and clubs. Discover every corner of South Africa with the clearest maps of any guide.

Customer Reviews

Not enough basic information on country, people, etc. Was looking for history, especially ancient history and recent history leading up to current day conditions.

we have found the book to be sufficiently detailed to assist in our planning of our october, 2009 trip

to south africa.we plan to bring it with us for every day guidance as well...

As a disclaimer, I should note that I really enjoy reading travel books, and I went through almost every book on South Africa before my trip. This book was the one I decided to purchase, as it was the most recent, and had the most information. These aren't books for those who enjoy looking at pictures of all the different areas, but has the most details for each area of the country. We spent roughly 2 weeks in the country and I used basically just this book in planning my trip. Did not use the book for hotel recommendations or restaurants as we had friends who had lived in the country and gave us plenty of those before we left. One nice feature was multiple pages of animal ID information, which was good for touring in Kruger.

I have an older edition (the 3rd) of this guide to South Africa. I live in Cape Town and still refer to the book frequently when planning trips in the country or entertaining visitors. If you want info on the usual tourist spots, the guide is fine. However, one of the best things about traveling in South Africa is how easy and exciting it is to get off the tourist routes. I have several other guide books, but this is the best for exploring. I am going to buy a new edition in order to get up to date info for a planned trip to Lesotho.
