Ghost In The Maze (Ghost Exile #2) (World Of The Ghosts)

Synopsis

Caina Amalas is a Ghost circlemaster, leader of the Emperor's spies in Istarinmul. Yet the people of Istarinmul know her as the Balarigar, the daring master thief who challenged the corrupt lords and cruel princes of the city. And now Grand Master Callatas, the most powerful sorcerer of Istarinmul, wants her dead, and without allies Caina will not survive. So when a legendary thief offers Caina a chance to rob Callatas himself, she has no choice but to join the venture. But no one has ever escaped the dark perils of Callatas's Maze...ABOUT THE AUTHOR Standing over six feet tall, Jonathan Moeller has the piercing blue eyes of a Conan of Cimmeria, the bronze-colored hair of a Visigothic warrior-king, and the stern visage of a captain of men, none of which are useful in his career as a computer repairman, alas. He has written the DEMONSOULED series of sword-and-sorcery novels, and continues to write THE GHOSTS sequence about assassin and spy Caina Amalas, the COMPUTER BEGINNER'S GUIDE series of computer books, and numerous other works.

Customer Reviews

I've gotten sucked into this entire series, Ghosts and then Ghost Exile. Will be sad when I am finished...

I've been enjoying the ghost series, but the last few seem to be getting shorter. The writing is rushed as all the errors are driving me nuts. Spell check can't catch them since they are real but the wrong usage or he for she etc. Jonathan needs a good proof reader.

Another great writer, I highly suggest reading this series and the previous series this stems from.

I love the GHOST series! I do feel like this book was shorter, but it could be that I read it so fast because it was so good! If you like Caina and friends and this series of books... this won't disappoint! I cannot wait until the next one!!!

Another great story in the Ghost series by this author. I liked this story line and would have given it five stars except for the editing - many incorrect words throughout the book.

I have read all of his works and have enjoyed even the short stories. I enjoyed them so much I decided to start writing myself. Please check out my books I wrote a trilogy starting with: Templar wars, harvest knight, and finally the exciting conclusion ..Angels Fury.

I enjoy Jonathan Moeller's series Ghost and his continuation of the series with Ghost Exile is taking the series even further and I am waiting for the next installment.

Anything by Jonathan Moeller is well written and entertaining. I LOVE the "GHOST" series and anything that is written about this character is very entertaining.
