Synopsis

“DESCRIPTION How blessed it is to hear some aged saint, who has long walked with God and enjoyed intimate communion with Him, pouring out his heart before Him in adoration and supplication. But how much more blessed should we esteem it could we have listened to the utterances of those who accompanied with Christ in person during the days when He tabernacled in this scene. And if one of the apostles were still here upon earth what a high privilege we should deem it to hear him engage in prayer! Such a high privilege that most of us would be willing to go to considerable inconvenience and to travel a long distance in order to be thus favored. And if our desire were granted, how closely we would listen to his words, how diligently we would seek to treasure them up in our memories. Well, no such inconvenience, no such journey, is required: it has pleased the Holy Spirit to record quite a number of the apostolic prayers for our instruction and satisfaction. Do we evidence our appreciation of such a boon? Have we ever made a list of them and meditated upon their import?”

Customer Reviews

Pink is always right on, in My opinion. I learn and enjoy each of his books, and I Will continue learning.

How vibrant would be the Church of Christ if we had not left Pauline doctrine, who like Pink write for one reason and that is to exalt our Lord Jesus Christ....."even so come quickly" Like most of Pink's writings, his "gleanings" are incredible on any subject. I wish kindle / would publish authors like Charles Andrew Coates....

if you really want to know the Bible and it's hidden understandings, this is a good book to read because A.W. is a excellent expositor

Excellent! How many people actually look into the prayer of Paul? Pink had the spiritual acumen to first identify the value of Paul's prayer and then expound on it. There is so much of the richness of Paul which very few people could unearth. Pink is one of them.

Pink has provided the churches w/ an excellent source for serious studies of the Apostle Paul's prayers. These prayers go to the heart of the New Testament goals for churches and the spirituality of Christians and thus give us practical guidance for our own prayers today.

Great price

A terrific and must read. Great also when paired-up with Bible and a study in the Book of Romans.

The LORD has endowed A. W. Pink with much spiritual intellect to provide a wonderful exegesis of the Pauline Prayers of the New Testament. I am enjoying it immensely.
