Heartbreaker

Synopsis

Rule number one: never settle down. J. B. Hammock treated his women well, but with a no-strings detachment they gladly accepted. Until sweet Tellie Maddox began hovering around, caring about him. And when Tellie lost her memory, she believed she was J.B.'s friend. Even he couldn't be so heartless as to push Tellie aside, and so he played his role...until friendship turned into something deeper than a heartbreaker like J.B. had ever intended. Then Tellie's memory returned....

The prolific author of more than 100 books, Diana Palmer got her start as a newspaper reporter. A multi-New York Times bestselling author and one of the top ten romance writers in America, she has a gift for telling the most sensual tales with charm and humor. Diana lives with her family in Cornelia, Georgia.

I read all the negative reviews about this book and I ordered it anyway. I have NEVER EVER read a Palmer book I didnt like or could put down. And this is the same.. I couldnt put it down. Although I can understand why some couldnt keep up, or rather didnt like the charectors. I LOVED THEM. J.B has conflicting emotions and people think Tellie is getting walked on... They are just trying so hard to fight what they feel. I do NOT see Tellie as wishy washy. I see her standing by what she says, even if a weak moment or two does arise. Who doesnt have them? I like the idea of introducing other books, or charectors that lead to books. Grange is just... lol Grange. If there were a

Jacobsville. I would want to live there. What an amazing group of people, here is a town that has horrible things happen to actually morally good people. D. Palmer does it again. This is a keeper. If you never read her, you should.

Love Diana Palmer. Own a few physical copies of her books. She is a good writer who captures your imagination and leaves you wanting more as each chapter ends. I can hardly put any of her books down!

THis is a great way to hear Diana Palmer books as you drive. Makes time pass so great and when her stories they keep you entertained

Most emotions are on a continuum that clearly illustrates how frustrated love can manifest itself in anger and hostility. We don't always want to love the person we ultimately fall in love with. Diana Palmer describes this conflict of competing emotions perfectly in Heartbreaker.

This was one of the best LLTs of them all. J.B. was a real creep to Tellie for such a long time. He should have been punished for bis treatment of her when she came to tell him about his sister. Men !!!!!

Good

In this day and age, it is good to have a great love story end happily. A rocky life of problems, anger, frustrations, and blissful happiness. Skillfully written. Characters seem real, with enough unhappiness to make the happy ending a good finish. Phyllis

Good book. Read in one rainy afternoon. I have read about 15 DP books, and most of the I couldn't stop reading. This one is no different. 4 stars b/c I do agree with some of the other comments that the story could be hard to follow or that there just isn't as much drama/passion to really draw you into the book. Still recommend reading it. You won't be disappointed.
