# Painting Landscapes Filled With Light

## Synopsis

Paint landscapes in a whole new light! Nothing enhances a landscape like the play of light. Now you can capture its rich, illusive properties in your own paintings. It's easy and fun when you paint along with Dorothy Dent. In 10 step-by-step projects, suitable for both beginners and more accomplished painters, Dorothy shares her easy-to-master techniques for painting light-filled landscapes in different seasons, weather conditions and times of day. As she explains, it's all in learning to see and work with lighting and color value. And what wonderful landscapes you'll paint! peaceful scenes of wide-open spaces, rolling farmlands, landscaped gardens and mountain valleys. Learn how to capture: Spectacular sunsets and sunrises Dramatic light and shadow on snow Sun-speckled garden pathways Autumn's gold-lit foliage The sun-touched haze of a summer shower Sunshine and moonshine on water And much more Dorothy's projects include oil and acrylic painting demos, with advice for adapting the technique used for one medium to that of the other. With each project, diagrams showing light direction and color tonal values get you off to a good start. Then each project concludes with a "Take a Closer Look" commentary demonstrating how experts like Dorothy fine tune their paintings with those just-what-it-needs finishing touches. Prepare to be amazed by the landscapes you create! *Painting Landscapes Filled with Light* is your guide to new possibilities in your painting.

## Customer Reviews

Dorothy Dent is one of the most popular convention and seminar teachers in the decorative painting

industry. In addition to running her own business, she has self-published 29 project books and is the author of *Painting Four Seasons of Fabulous Flowers* and *Painting Realistic Landscapes with Dorothy Dent*.

very informative for beginners.

Fanastic book! I painted everything in here, and learned a ton.

I am working on a painting similiar to one in this book. Unusual for me to do that. She is my favorite authors and I admit her and have for many years without anyway to buy one. I have learned some new techniques.

I have many how to paint books and Dorothy Dent's are my favorite. This book includes 5 lessons in acrylic and 5 lessons in oils and her step-by-step instructions are very clear and easy to follow. She also includes exact colors to use which would be helpful to the beginner artist. I have recreated all of her pictures with surprising success. She also includes templates you can enlarge to transfer the image to your canvas. I would highly recommend this book and her other acrylic "Realistic Landscapes" step-by-step book.

I love Dorothy Dent books. Good instructions and patterns to follow.

Good instruction for painting "light".

Love Ms. Dent's books, they are easy to follow to produce beautiful paintings. Would Recommend

Very good, easy to understand directions. Explanations detailed. I'm a beginner so I needed explicit instructions. Quick shipment and book in very good condition. Thanks.
