All Souls: A Family Story From Southie (Paperback) - Common

Synopsis

A breakaway bestseller since its first printing, "All Souls" takes readers deep into MacDonalds Southie, the proudly insular neighborhood with the highest concentration of white poverty in America. MacDonald tells his family story here with gritty but moving honesty.

Customer Reviews

A breakaway bestseller since its first printing, "All Souls" takes readers deep into MacDonalds Southie, the proudly insular neighborhood with the highest concentration of white poverty in America. MacDonald tells his family story here with gritty but moving honesty.

This was required reading for a university sociology course. I never would have thought to pick it up otherwise. Still, I am SO grateful for the perspective and experiences shared. It's a quick, easy read and could be used just as easily as a high school text. After learning about the challenges it took to grow-up in South "Southie" Boston's government project housing I found myself getting emotional during the final two chapters. Putting on blinders sort of saved a few but no one walked away without their battle scars. I would give this to socially conscious teenager and see what their point of view is....in fact I will do exactly that now.
