The Ultimate Hedge Fund Guide: How To Form And Manage A Successful Hedge Fund

Synopsis

In his new book, hedge fund consultant Frank Nagy takes the novice through the steps to properly set up and manage a fully functioning hedge fund. The Ultimate Hedge Fund Guide provides new fund managers/traders with the knowledge and tools they need to be familiar with setting up and managing their own hedge fund. While other books are closely focused on specific topics such as trading and managing, The Ultimate Hedge Fund Guide gives the reader a fresh look on the basic setup and managing of a U.S. or offshore hedge fund. The Ultimate Hedge Fund Guide will provide answers on topics including: - Choosing your administrator, auditor and attorney - Marketing your fund while maintaining proper compliance - Understanding your offering documents - And more

As a former FINRA licensed Registered Representative (Series 7/63), stock and Forex traders, as well as fixed income traders have benefited from Mr Nagy's experience and knowledge in the securities and fund formation process.

Frank Nagy is Managing Director of Frank Nagy Financial Services. Since 1998, Mr. Nagy has been providing business consultation to project managers, traders, and investment advisers seeking to launch their own hedge fund. As a former FINRA licensed Registered Representative (Series 7/63), stock and Forex traders, as well as fixed income traders have benefited from Mr Nagy's experience and knowledge in the securities and fund formation process. In addition to being a hedge fund consultant, Mr. Nagy serves as co-adviser to a number of hedge funds. From his fund managerial experience he greatly reduces the burden of setting up and advising on management of a hedge fund as well as making the appropriate introductions with the proper service providers that will best

suit his client's needs. By working along side with experienced securities attorneys, Mr. Nagy has assisted his clients seeking to raise capital by assembling the right fund structure. For the past thirteen years Mr. Nagy has served as advisor to various non-profit organizations including the Pinellas County Pregnancy Center. In addition, he currently serves as a Congressional Advisory member to past and present members of the U.S. House of Representatives in his district. Frank Nagy resides in the Tampa Bay Florida area with his wife and four children.

I had the opportunity to get down Frank Nagy's guide book on the subject ' The Ultimate Hedge Fund' and found it extremely useful as much as educational, as the author deals with a full gamut of legal aspects which will help anyone who is concentrating on setting up of a hedge fund. The book also covers the areas and destinations which are ideal and safe, depending on clients' choice, while guiding the reader within the framework of legal boundaries as the case may be. I am quite happy that I ordered this book through and would recommend to anyone who has any ideas of setting up of a hedge fund and has any doubts how to go about it legally and safely. For me personally, the book is a rare gem !Dr. Tilak S. Fernando

This is an excellent resource. I have found this to be extremely informative. Mr. Nagy has done an amazing job at explaining technical matters in a manner that even the novices can understand, without diluting the subject matter nor undermining the more seasoned veterans within the field. I recommend this book to anyone who is truly serious about understanding the inner workings of hedge funds or may just need a quick reference guide. This would make a great addition to any collection.

A highly recommend read for anyone seeking to launch a hedge fund. The book does a good job of taking an in-depth subject and breaks down the matter into an easy to comprehend read.

Regardless if a given fund being formed will be macro, event driven, long/short etc. managers want to focus on trading and not getting buried with intricate "legal speak" on formation structures. I think the book does a good job of balance with regards to enough information but not overwhelming a reader with unnecessary legal jargon with regards to the various offshore/onshore legal structures.

A great help for me. Frank takes a very complicated topic and breaks it down into a simple format. For \$10, you have a comprehensive resource at your fingertips.

I am only on page 15 and the typos, grammatical errors, and missing function words have become distracting enough to put the book down.

Great book, gave me a very good outline on how to start a fund. If your thinking about starting a fund this is a must read.

Excellent guide! Concise and very well-researched.

Great book...gets right to the point
