"This book is by far the most comprehensive book addressing ethics within the criminal justice system. The book is well-written and comprehensive and gives the student a clear understanding of the ethical systems used in our society. All components of the criminal justice system are addressed: police, courts, and corrections."

Dr. Joycelyn Pollock, University Distinguished Professor Emeritus, School of Criminal Justice, Texas State University received a Ph.D. from the State University of New York at Albany and a J.D. from the University of Houston. Dr. Pollock's many published works include CRIME AND CRIMINAL JUSTICE IN AMERICA; WOMEN'S CRIMES, CRIMINOLOGY AND CORRECTIONS; CRIMINAL LAW; PRISONS AND PRISON LIFE and MORALITY STORIES.

The book was in great condition and as advertised. I was able to conduct my studies knowing that I

had the reading material.

The book itself is in good condition, I just found the topic of CJUS Ethics to be slightly boring.

great quality

Definitely an interesting book, up there on my list of favorite textbooks for sure.

Although I didn't have to use it as much as I thought I would, I found it useful for my class. Good condition.

Great condition as advertized and showed up well before estimated latest delivery date. I will definetly keep this company in mind next order!! Another great thing is that my college change requirments on me and I had to return it. I was able to do that hassle free!

I like the progression from ethics history to theory and application. It was an enlightening read with or without a criminal justice context. This should be a professional read for employees.

Great book! Meet expectations
