Godsgrave: Book Two Of The Nevernight Chronicle

Synopsis

Signed First Edition The second thrilling installment of the award-winning *Nevernight Chronicle*, from New York Times bestselling author Jay Kristoff. In a land where three suns almost never set, a ruthless assassin continues her quest for vengeance against the powers who destroyed her family. Mia Corvere has found her place among the Blades of Our Lady of Blessed Murder, but many in the Red Church hierarchy think she's far from earned it. Plying her bloody trade in a backwater of the Republic, she's no closer to ending the men who destroyed her familia; in fact, she's told directly that Consul Scaeva is off limits. But after a deadly confrontation with an old enemy, Mia's suspicions about the Red Church's true motives begin to grow. When it's announced that Scaeva will be making a rare public appearance at the conclusion of the grand games in Godsgrove, Mia defies the Church and sells herself to a gladiatorial collegium for a chance to finally end him. Upon the sands of the arena, Mia finds new allies, bitter rivals, and more questions about her strange affinity for the shadows. But as conspiracies unfold within the collegium walls, and the body count rises, Mia will be forced to choose between love and revenge, and uncover a secret that could change the very face of her world.

Customer Reviews

"I feel like I really can't do this book justice with words. But it is in fact bloodier, sexier, stabbiier and badassier (just go with it) than *Nevernight*. Seriously, who knew that was even possible? Questions are answered, many more are asked and we are slowly fed more information about Mia's past.

Prepare yourselves gentle friends, this book is a rollercoaster ride of emotion. I finished Godsgrave late at night and was propped up in bed like one of those clowns at the show, open mouthed, gasping and absolutely SHOOK. That ending is... 'NO HE DIDN'T' (yes he did)." [The YA Circle blog on Godsgrave](#)"Kristoff has put together an excellent follow-up to Nevernight, and it will not disappoint.... Things get more and more intense in just about every area of Mia's life, and it's all leading to a showstopping conclusion in book three. I'll be waiting for it!" [The Eater of Books blog on Godsgrave](#)"Godsgrave is intense and dark... There's a lot of dynamic and strong characters especially the women. The last 80 pages will leave you shouting your head off and it's never info dumped or out of left field.... If you like YA fantasy but want more sex and blood and language, read Nevernight and then quickly follow it with Godsgrave..." [Bang Bang Books blog on Godsgrave](#)"The Nevernight Chronicle is a fantastic story. Absolutely original work, fantastic interaction between characters, a well developed world and politics. Jay is truly an amazing writer." [Burkhead's Books and Bad Reviews blog on Godsgrave](#)"All I can say is "Wow!" I'm speechless with wonder, with awe at the twists and turns the story had taken. Though I'm expecting things not to go swimmingly for Mia, I never imagined the routes the plot would take to bring her to where she was by the end of the book." [The Romance Reviews blog](#)"Come for the vengeful assassins, stay for the fear-drinking shadowcats. Godsgrave is a stylish, fast-paced and welcome return to the world of Nevernight." [Peter Newman, award-winning author of The Vagrant](#)"Launching the Nevernight fantasy series, Kristoff (the Lotus War trilogy) creates a splendid world of corruption and violence. Kristoff portrays a world as rife with villains and treachery as the ancient Italian civilizations it echoes. Absorbing in its complexity and bold in its bloodiness, this beginning promises (and delivers) equal shares of beauty and decay. With a delicate balance of the ancient and the magical, this tense and brutal tale is unflinching, thrilling, and satisfying." [Publishers Weekly, starred review on Nevernight](#)"A sensuous, shades-of-moral-gray world; a compelling, passionate heroine; a high-stakes quest for revenge" [this is a fantasy fans won't be able to put down.](#)" [Kirkus Reviews on Nevernight](#)"The world-building is delightfully detailed, its baroque flourishes supplied by sarcastic footnotes, but we are drawn through the narrative by Mia's triple quest: to rescue her family members, to avenge her father's death and to survive her education at the church, where the ultimate test is to avoid being killed by the training." [The Daily Mail on Nevernight](#)"Kristoff's new fantasy series is off to a rollicking start." [Booklist on Nevernight](#)"A very entertaining and well thought out story with a very readable main protagonist and her sidekick set at its heart.... It's dark and twisted with a great streak of humour that softens
