The Lucky Ones

Synopsis

It was the happiest day of her life. Little did she know it was also the last. When a woman's body is found in the grounds of a ruined priory, Detective Imogen Evans realises she is dealing with a serial killer—a killer whose victims appear to die in a state of bliss, eyes open, smiles forever frozen on their faces. A few miles away, single dad Ben Hofland believes his fortunes are changing at last. Forced to move back to the sleepy village where he grew up following the breakdown of his marriage, Ben finally finds work. What's more, the bullies who have been terrorising his son, Ollie, disappear. For the first time in months, Ben feels lucky. But he is unaware that someone is watching him and Ollie. Someone who wants nothing but happiness for Ben. Happiness and death. *The Lucky Ones* is the terrifying new thriller from the #1 Kindle bestselling author of *Follow You Home* and *The Devil's Work*.

I couldn't put this book down. I got so wrapped up in the characters lives. The ending came as a complete surprise. What a thriller!

What does it take to be a serial killer? What circumstances and life events can cause a mind to be altered and have a delusional sense of others and what is right or wrong? I thought there should've been a little more to the ending...what happened to the viper? Did he die happy?

Excellent thriller. Great story line with very believable characters. Kept me page turning and was still chilling to the end. This is the second book of Mark Edwards I've read and won't be the last one.

As usual Mark Edwards has wrote another great book. All of his books are so well written and always have a good ending. Can't wait for the next book.

This book was crazy good. I read it in one day. Literally could not put it down. It has so much going on it really keeps you hooked.

It's been a while since his last book and this was well worth the wait. I could not put it down great story from beginning to end.

I couldn't wait to finish the book. It was a real who-done-it with a twist at the end. A thriller for sure.

I really enjoyed this book...the characters were very likable and there was a really interesting twist at the end! Glad I found it...enjoy
