Stolen Secrets

Synopsis

After an abrupt move across the country to San Francisco, sixteen-year-old Livvy is shocked to find that her mother has lied to her. Instead of looking for work at a bakery, her mom is taking care of Adelle, Livvy's grandmother, who Livvy thought was long dead. Suffering from Alzheimer's, Adelle shouts out startling details, mistakes her own name, and seems to relive moments that may have taken place in a concentration camp. When Livvy and her new friend Franklin D. find journal entries from the Holocaust in Adelle's home, Livvy begins to suspect that her grandmother may have a shocking link to a notable figure -- Anne Frank.

Customer Reviews

"A contemporary story with a Holocaust secret at its core. A jam-packed narrative with a full complement of tropes and topical elements: new girl; friend issues; alcoholism; family secrets, neo-Nazis; predatory elder care; armed robbery and a romance. The grandmother's mysterious past (is she Anne Frank? A Nazi?) intrigues... - Kirkus

"This is a well-written book that sympathetically examines the roles of Holocaust survivors on both sides of the war as well as guilt and forgiveness. The main and supporting characters are funny and engaging.... A good addition to those who want to read more books

with a Holocaust theme. [Return to School Library Connection](#)
