## Synopsis

Traveller Hero Book Two: Adventure in Charted Space: The Imperium, Gadgets, Vehicles, Robots and Starships The Traveller Hero sourcebook is a reference for playing Star Hero campaigns in the Traveller setting using the HERO System 5th Edition rules. Traveller has been around in various incarnations since 1977, and was one of the first science fiction role-playing games. It is a popular backdrop for many science fiction RPG campaigns, and has undergone various evolutions. Now one of the greatest science fiction RPG settings of all time meets one of the greatest RPG systems of all time as ComStar and Avenger are proud to present: Traveller Hero! "I think the ComStar crew has done a fantastic job adapting the Traveller setting and elements to the HERO System.

TRAVELLER HERO is a great example of how flexible the HERO rules are, and a loving tribute to a universe that remains inspirational and compelling for gamers." --Steve Long, Hero Games, Author of Hero System 5th Edition, Co-author of Star Hero In book one we brought you all you need to know about creating and playing an adventurer in the Traveller universe. now we bring you Book 2: Adventure in Charted in Space. Topics covered in this tome include: --Both simplified and advanced starship design and building, complete with lots of starship technologies (good for any Star Hero campaign)!! --History of the Traveller universe --World Generation --Travel and communications --Trade --Religion and philosophies of many of the Traveller races --The criminal underworld --Technology levels and important information regarding technology in the Traveller universe --Computers, sensors and a multitude of other technologies and equipment for Traveller (or any Star Hero campaign) --Robotics! --Vehicles and Starships --Sample starships --Cybernetics --And much more!
