# Braniff Airways: (Images Of Modern America)

## Synopsis

Braniff Airways: Flying Colors takes readers on a magical flight through the history of Braniff International Airways, beginning with its small-town Oklahoma roots to its high-flying and stylish span of the globe. Braniff brought together the mystery of aviation with the glamorous fields of fashion, art, and design, and taught the flying world how to fly with style and beauty. It is this remarkable joining of forces that has made Braniff as popular today as it was when flying in style across the Atlantic and Pacific.

## Customer Reviews

Richard Benjamin Cass, a retired airline pilot, has over 30 years experience in aviation. He saw his first Braniff jet at Dallas Love Field in 1972, and his passion for the airline began. His Braniff Flying Colors Collection, which contains his lifelong collection of Braniff historical items, is one of the largest groupings of Braniff collectibles known to exist. His career and interests have been solely devoted to aviation endeavors, and he has founded several successful aviation businesses. Cass is a native of Dallas, Texas, where he currently lives.

A great, informal history of one of the most recognize airlines in the world, like Pan Am, Braniff International, in the 1960's was on the edge of design, glamour, and travel. Employing artists, advertising superstars, and designers this small book, details an airline that shined in the golden

age of travel, never to be rivaled again.

Another appreciated book on Braniff, the airline I worked for from 1965 - 1982 (not counting my 3 years in the Army).

A RECENTLY PUBLISHED BOOK PROVIDING A PHOTOGRAPHIC VIEW OF BRANIFF OVER THE YEARS. THIS WOULD BE A GOOD SUPPLEMENT TO "BRANIFF INTERNATIONAL SPLASH OF COLORS" BY JOHN J. NANCE 1984.

This was a gift. they said they liked it.

Great Seller !!!!!!! Great Book !!!!! Super Fast Delivery !!!!! Thank You !!!!!!!

Great book

Gift for my sister, a former Braniff employee. She loved it.

Book was OK, but I was hoping for more depth on the airline itself.
